As compared with the previous fiscal year the number of accidents to steamboats was less, while the loss of life was greater, as the following will show. Total number less, while the loss of life was greater, as the following will show: Total number of accidents to steamers resulting in loss of life in 1882, 41; in 1883, 34; decrease, 7. Total number of lives lost in 1882, 205; in 1888, 284; increase, 79. The main increase occurred in accidents caused by collisions, 48 lives being lost in excess of the number lost in 1882. The next greatest number was in loss by shipwreck, being 64 more than the previous year. The increase by explosion was 18. The loss of

"Has been more destructive to human health and life than war, pestilence and famine combined." So said a distinguished writer many years ago, and it is as true to-day as then. The poor victim of Blood Disease is drugged with Mercury to cure the malady, and then dosed with io-dides to cure him of the Mercurial Poisoning: but instead of any relief, the first breaks down his general health and makes him a cripple, and the other rains his digestive organs. To those afflicted in this way Swiff's Specific is the greatest boon on earth, and is worth more than its weight in gold. It antidotes this Mercurial Poison, tones up the system and brings the sufferer back to health and happiness. Every person who has ever been salivated should by all means take a thorough course of this remedy. rease by explosion was 18. The loss of ife by fire, accidental drowning and mis-ellaneous was less than the previous year. CAIRO ITEMS, Monday: "The Hays's tow is rapidly filling out here, and will leave some time to-morrow.
